

THE COMPANY

This East Idaho Non-Medical Home Senior Care provider has a stellar reputation for providing quality in-home care. They have a well-established client base in a growing community and a business model that lends itself to growth. This company provides services ranging from brand running, bathing and feeding assistance, companionship, housekeeping and even care for client's pets. They specialize in dementia care while catering their services to each client's special needs. Their formula for success has been to hire great caregivers and treat clients as if they are family members. Best of all this business has tremendous growth potential without requiring significant capital investment. 2017 revenue is on track to exceed each of the last three years.

THE LOCATION

The business is ideally located in a Metropolitan Statistical Area of over 230,000 residents. Just under 13% of that population is over the age of 65; up from 10% in 2010.

THE CUSTOMER

Senior care is one of the nation's fastest growing industries. More than half of all Americans 65 and older will require assistance with day-to-day activities in their lifetime. With life expectancy approaching 80 years, the need for home care services will only rise.
