

RADON TESTING COMPANY

Southern Idaho Service Area

THE COMPANY

This company was established in 2012 due to the demand for Radon Testing and mitigation opportunities in Idaho. The company has proven brand name recognition and offers free estimates, competitive pricing, excellent customer service and a commitment to improving customers' health through radon detection and mitigation. Customers include existing homeowners, real estate agents, government agencies, along with large commercial and residential complexes.

THE LOCATION

This home-based operation services all of the Treasure Valley and the Wood River Valley, Southeastern Idaho as well as adjoining states.

THE STRENGTHS

The business differentiates itself from others by being nationally certified by the National Radon Proficiency Program (NRPP) along with being fully licensed and insured. Customers feel secure knowing they will be provided the best service and advice from highly trained professionals who understand radon and how it effects the human body. The enterprise also has an A+ rating with the BBB.

THE REASON FOR SELLING

The owner has another business and needs to focus his full attention on that company.

THE IDEAL BUYER

The ideal buyer would be anybody interested in a home-based business with an excellent reputation and large upside potential in an expanding market.

THE POSSIBILITIES

The owner represents that there is a strong demand for radon work and there is no shortage of requests for services. A new owner should be able to increase sales utilizing the solid platform in place. The company recently expanded into Southeastern Idaho due to high demand.
