

FLOOR COVERINGS & INSTALLATION BUSINESS

Boise, Idaho

THE COMPANY

The company has a long, outstanding reputation having been in business for sixteen years. The business is known for being knowledgeable about the products they sell and for outstanding installation. The beautiful, up-to-date showroom allows customers the confidence to make informed choices for their floorcovering needs. The revenue mix is residential replacement, restoration and property management; a strong portion of the revenue is Luxury Vinyl Plank and Carpeting.

THE LOCATION

The business is centrally located in the Treasure Valley area. The showroom is 10,000 sq ft providing a valuable opportunity for customers to view every floorcovering option. Any questions they may have are addressed and the company's presence in the area is well established. Installation is scheduled.

THE SELLER

The company's long reputation and trust among its customer base gives it credibility and a strong foundation for future growth. Outstanding online ratings with Google and Better Business Bureau, in addition to strong word-of-mouth referrals and repeat customers affords the business tremendous potential for increased market share in the Treasure Valley.

THE REASON FOR SELLING

The owner has enjoyed watching the business grow over the years but is now ready to retire, thus allowing the next owner to benefit from the firm foundation and loyal customer following built since 2006.

THE IDEAL BUYER

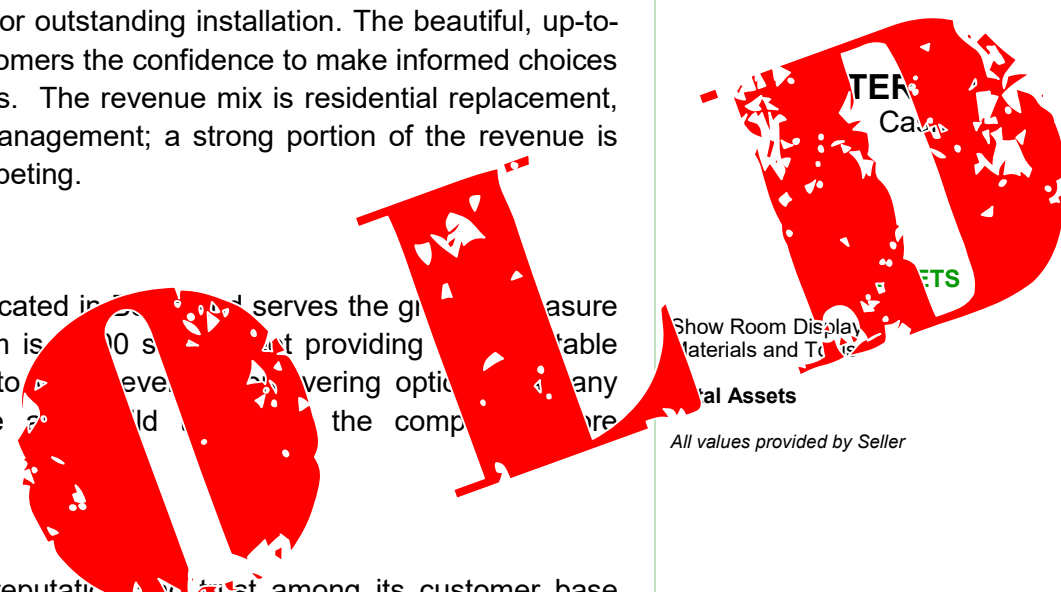

The perfect buyer would be an entrepreneur with floorcovering and construction experience, ready to move to the next level and own their own business or another flooring company looking to gain immediate market share in the Treasure Valley.

THE POSSIBILITIES

The company has a long track record for providing first-rate customer service and high-quality installation. Implementing the use of social media and additional advertising, which the current owner has not pursued, the company could easily expand in their existing market.
