

# Medical Aesthetics Clinic (Med Spa)

Treasure Valley, Idaho Location

## THE COMPANY

For well over a decade, this clinic has been providing the highest quality and superior service of medical spa procedures in its market. Using medical devices that incorporate cutting edge technology for laser hair removal, skin lifting, injectables, tone, tightening and body sculpting. This business is turn key operation that is fully equipped to sustain its current high standards. Indeed, the business employs only medically certified (nurses) to perform procedures. The company is licensed to perform CoolSculpting, CoolTone and IPL devices as well as includes a laser equipment for hair removal and skin treatment. An in house staff provides professional esthetician assistance to customers on the high demand services and pricing. With a customer list and accounts accumulated over the years, the business is an ideal investment opportunity. A medical director oversees the clinical procedures.

## THE LOCATION

The business is in a leased location with excellent access and excellent visibility. A recent complete refresh of the leased location floor coverings, paint and accents provides an atmosphere of a modern and aesthetically pleasing environment. A potential purchaser interested in providing additional medical care to use a portion of the office for expansion or to add additional services.

## A UNIQUE OPPORTUNITY

This business is a unique opportunity for an owner operator to rebrand the clinic with their own vision or an expansion minded similar business to bring its brand. A physician purchaser may consider the business as an extension or a complement to an existing medical practice. The platform of existing customers, years in the same location, trained employees and fully equipped facility can facilitate a seamless transition.

## THE REASON FOR SELLING

The seller owns multiple businesses and is shifting attention in another direction. After more than 10 years of ownership, the seller would like to watch the business grow under another operator's stewardship.
